Monthly Giving Program

A recurring giving program supporting hearing and speech services for low-income children, adults and seniors

Monthly Giving Program: The Details

The MGP is a recurring donation program. As a member, you play an integral role in providing children, adults and seniors with hearing or speech/language services they need for everyday life, but cannot afford.

How Does it Work?

A minimum donation of \$10 per month gets you enrolled in the MGP. Each month an electronic donation is deducted directly from your credit card, checking account or in your electronic bill paying system.

Become a member of the Center's **Advocate Society** by donating between \$500 and \$999 in a calendar year!

How Do I Sign Up?

Fill out the attached form and each month you will be giving the gift of hearing and speech to the people who need it most in our community.

You can increase, decrease, hold or discontinue at any time by simply giving us a call.

If you wish to avoid using your credit card or providing your bank information, here is an option for you: Make a monetary pledge to the Center for 12 months. Set the Center for monthly payments in your electronic bill paying system. This way your bank issues a monthly check to the Center and you avoid sharing your bank and credit card information.
